Associated Students will NOT provide an expense envelope or petty cash for purchases. Petty cash may be reimbursed up to \$200.00. The purpose of this event is to illuminate the diversity of the Mt. San Antonio College (Mt. SAC) student body specifically through the variety of clubs that exist and whom represent the various needs of our student population. Effective communication between student organizations is vital in order to execute and collaborate this event. The purpose of this event also stems from our previous lack of communication within clubs on campus which has been brought to our attention that many clubs have felt secluded throughout the Mt. SAC community. Therefore, our hopes are that with this event we will be able to unify our campus organizations; fostering a sense of inclusion on campus. Consequently, allowing other students on campus to become aware of ways to become involved on campus, increase retention rates, and build a sense of community. Our students are the ones that construct and generate the clubs on campus and it would be a great opportunity for every student to build this connection. Our goal is to encourage every club on campus to benefit from this event by expanding their diversity and culture amongst other students that will consequently create a sense of community to many students.

In participating this event we understand that every student must pay their fees, with that being said we will have different strategies to get this on board. The first strategy that we have is the way that our club secretaries communicate with our club members. They will be sending vast emails to every member so that they can remind them to pay their fees. Another strategy will be if we get approved of this event, we will be making flyers that will promote the event, and a reminder to pay their fees. Our final strategy will be promoting it on every clubs social media.
