 Subject: Renaming of Political Senator to Legislative Affairs Senator Date: 5/17/16

**Whereas:** Political Senator is too vague of a title and changing it to Legislative Affairs will be a more appropriate name; and

**Whereas:** The Political Senator is informed with legislation and proposes the Senate to take a stance on legislation that is taking place on the state level. The Political Senator works with the Student Senate of California Community College and is informed on different resolutions from other colleges to implement them at Mt. San Antonio College; and

**Whereas:** The Legislative Affairs senator shall meet with the Student Trustee once a month in order to discuss and prioritize specific legislation relevant to students and the greater Mt. San Antonio College community; and

**Whereas:** Renaming the Political Senator to Legislative Affairs Senator will give a better sense of direction to future senators about what their duties pertain to. Future senators will be able to proceed with their job directive more effectively knowing what they must primarily focus on.

**Therefore:** Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve Renaming of Political Senator to Legislative Affairs Senator.
