Event Description and Benefits

PTK Catalyst 2020 is Phi Theta Kappa's annual convention where over 3,000 members, advisors, and partners from 500 chapters and 9 different nations gather to receive their awards and recognition, as well as to network, participate in workshops, and engage with guest speakers about their experiences on their given subject. In 2019, Phi Theta Kappa had Celebrity Chef Jeff Henderson speak about their journey and hardships with life as a convicted felon and how they took their experiences and became successful. That same year, the members of Phi Theta Kappa voted for the new International President, James Elliot, who is also a convicted felon with a success story. With these enriching talks, we believe it will help motivate students to pursue academic excellence and to aim for the best in life despite any hardships.

PTK Catalyst also provides various workshops during the day. Such workshops focus on internships, building one's resume, info sessions regarding PTK Projects, and how to improve one's campus/community. The skills learned from PTK Catalyst workshops will help Phi Theta Kappa officers and members on our annual College Project that directly benefits the college. The lists of campus needs for the College Project are provided by Dr. Scroggins. 2018's College Project focused on the homeless student initiative where our chapter collected over 15,000 toiletry items and distributed every item to the Mt. SAC community at a Mounite Fresh Food Pantry. This year our chapter is focusing on food insecurity where we plan to work with the Homeless and Basic Resources Committee and attempt to improve food related issues based off survey findings.

PTK Catalyst is primarily geared towards the club officers; however, the event is also meant to recognize club members who are actively involved with Phi Theta Kappa. PTK Catalyst's awards ceremony recognizes the performance and efforts. It is also an awards night for the chapters' Honors In Action (HIA) Research and Service Projects—an annual research project done by PTK chapter members to help serve and better the community, and to promote academic excellence. To name a few, our Mt. SAC Chapter, Alpha Omega Alpha, has continuously won the following awards for the previous years:

- Distinguished Honors In Action Theme Award
- Distinguished Honors In Action Project Award
- Distinguished College Project Award
- Distinguished Chapter Officer Team Award
- Distinguished Chapter Officer Award
- Distinguished Chapter Member Award
- Distinguished Chapter Award
- Beta Alpha Continued Excellence Award (award given to chapters who win the Distinguished Chapter Award for 3 years straight)
