Subject: Rendering Support for the Continuation of the Successful DSPS's "Puzzle Project"

Date: 31 May 2016

Whereas: Mt. San Antonio College provides a variety of services toward the college's disabled student population,

Whereas: The "Puzzle Project" is a series of workshops for students on the autism spectrum, the goals of the workshop include: 1) behavior control in the classroom; 2) social interaction with peers and professors; 3) organizational (e.g.: scheduling responsibilities) and cognitive functions; 4) and methods for academic success

Whereas: The Associated Students has the ability to demonstrate the student body's commitment to the school's disabled community by enabling intellectually-capable students to develop the skills necessary to be successful in earning a college education, transferring to a four-year institution, and/or developing job skills

Whereas: All students on campus are vested in the success of disabled students. Disabled students provide their own unique strengths and add to the rich diversity served by this institution

Therefore: Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve rendering strong support for the continuation of the successful DSPS's "Puzzle Project".
