CADUCEUS CLUB FUNDING REQUEST
AMSAcon 2022

The American Medical Student Association Annual Convention has been a tradition in Caduceus Club since its inception. We are a charter member of the organization and one of the first premed chapters to be admitted. This year, we have 7 students who wish to attend. I will attend with them, but am not requesting funds for myself from AS. At the conference, students have an opportunity to learn about issues affecting medicine and medical education. They will interact with premed and medical students from all over the US, exchanging ideas and strategies to help them prepare for their professional journey. Students will meet with mentors, learn interviewing skills, practice skills such as intubation, CPR, suturing, and IUD insertion, participate in a premedical decathlon, and have an opportunity to run for national office. On Thursday, they will go to Capitol Hill to meet with senators and congressman and speak about the importance of low-cost medical education and loan repayment programs, among other topics. This is a very important event for these students and one in which they have a chance to make many valuable connections. Information about the event is available at <https://amsaconvention.org>

Cost breakdown

Registration = $\$299 \times 7 =$ \$2093
Airfare = $\$400 \times 7 =$ \$2800

Students will cover their own hotel costs and food.
